What should I do if I would like my child to attend Before and/or After School Care?

If you are interested in your child attending Before or After School Care, please contact **Jan Stirrup** in the office. Please note that it will not be possible for your child to attend without completed Child Information Forms. Once these are returned and you have informed us of your requirements, you will be contacted to confirm your space, or placed on the waiting list if there are no spaces available.

If you would like to arrange a visit or have a look around the Before/After School Care setting, please ask at the school office and they will be happy to help you.
