

**English:**

In fiction, the children will be developing their story-telling, focussing on the five parts of a story– introduction, build-up, problem, resolution and ending. They will also be working on their sentence construction, ensuring they use a range of sentence lengths and embellish their writing to add detail. Their non-fiction work will be closely linked to their fiction writing and will develop their understanding of different non-fiction genres.

**Maths:**

In Term 1, the children will be developing their understanding of place value in 2– and 3-digit numbers. They will be using their knowledge of number facts to solve addition and subtraction questions and will be learning the relationship between multiplication and division. The pupils will be continuing to learn their tables. Also, they will be improving their accuracy measuring in m, cm and mm.

**Music:**

This term children will be exploring the technique of ‘call and response’. Pupils will be singing and dancing to African call and response songs and watching clips of African musicians as well as taking part in some whole class African drumming sessions. They will explore call and response in other genres such as Rock n Roll and Latin music. The children will then build on this knowledge to create a call and response composition in pairs using keyboards.

**Art/DT:**

In Art, the children will be learning about primary and secondary colours and exploring how hot and cold colours can depict different moods. They will also be studying the works of Keith Haring. In DT, the children will be learning how to tie-dye using different designs.

**Science**

In Term 1, the children will be studying different types of rocks and how fossils are formed. They will learn about rock formation as well as their uses in everyday life. In Term 2 the children will be learning about Forces and Magnetism. They will learn how magnets work and will use them to investigate magnetic materials.

**Inter-Disciplinary Learning**

Our History topic in Term 1 is the Stone Age. The children will learn about the different roles of men and women in Stone Age Britain and will learn about the different animals which existed. In Geography the children will be looking at our local area and comparing it with urban locations.

**Term 1 and 2**

**2017**

**RE:**

The children will be learning about the miracles that Jesus performed as well as learning more about the Christian festivals of Harvest and Christmas. We will also be learning about the key beliefs of Hindus, learning about the Hindu festival, Diwali, and visiting a Hindu temple. Collective Worship this term is Honesty and Term 2 will be Respect.

**French:**

The children will be learning how to greet each other. They will also learn their numbers to 10, how to say the days of the week, the months of the year and colours. They will learn about aspects of France.

**PSHE/JIGSAW:**

The school will continue to use the *Jigsaw programme to deliver PSHE*. In terms 1 and 2 the focus will be ‘Being in my World’ where they will think about their place in school and the wider community.

**PE:**

Mrs Ducker and Mrs Atkins will teach outdoor PE. Pupils will develop throwing and catching skills, from keeping possession to simple tactics for attacking. In Term 1, 3MH class will begin swimming. Indoor PE for both classes will be focussing on Yoga followed by learning a dance in Term 2.

**Computing:**

The children will use paint tools software to create characters and backgrounds. They will also learn to recognise some common types of programming errors and practise solving them.
