ATTENDANCE:

The classes with the best attendance:

w/c 16th April was 5C with 100%

w/c 23rd April was shared between 3SH and 4J both with 100%

The attendance for the period of 19th April to 2nd May was 96.81% and it is excellent news that our attendance today Friday 4th May remains high.

PARKING:

Could we politely remind all parents/carers that the car park is only for the use of staff. The car park is for drop off only otherwise you may get blocked in and staff may not be able to move their vehicle immediately as they are working.

REPLY SLIPS:

Between now and the end of the Summer Term we have a lot of events coming up in school where we will need reply slips returned to the office to give permission for your child to attend. Could we ask that you adhere to the deadlines stated as it is not always possible to chase up late replies. If we do not receive a completed permission slip (or receive permission by email) then unfortunately children will not be able to participate in the event.

WARM WEATHER:

Please remember that now the weather has (hopefully) finally started to get warmer your child needs a water bottle and a sunhat with them in school.

SIGNING IN:

If your child arrives late or needs to leave school early for any reason, we need parents to sign them in/out in the book that we hold in the School Office.

YEAR 6 SATS:

During the week of 14th May the Year 6 children will be undertaking their SATS. I have no doubt that they will continue to successfully use the skills and knowledge that they have gained during their journey at our school.

P FACTOR:

Please see the email that has been sent home about this exciting Poetry Recital Competition.

FOBPS:

Our next event is the popular Hollywood and Hotdogs Evening which is on 8th June. Please see further information in the letter that has been sent by email.

ECO NEWS: ECO DAY- Wednesday 13th June

Just a reminder that this day will be a non-uniform day with the theme of 'Seas and Oceans' to highlight the plastic pollution problem. Children will be asked to wear blue/green or anything remotely sea-life like to raise awareness of this global issue. We are aiming for a contribution of £1 per pupil and are hoping to raise enough for some new climbing apparatus.

A MIDSUMMER NIGHT'S DREAM:

SATURDAY 7th JULY at 5pm - Gates open at 4.30pm

Please see the email that has been sent out with all the further details about the day and all the timings.

If you are able to help with any of the areas required please pass your name to the office. Thank you.
