Dear Parents/Carers,

### STAFF NEWS

After just over 10 years of excellent service, Mrs Coles has decided to leave our school. I know that Sonia has really enjoyed working with children and has made a large difference to many youngsters' lives, including giving of her time tirelessly on many school residentials and on so many other school events. I wish her every continued success in the future.

Mrs Riley will be leaving at the end of October. Sarah has provided enormous and varied support in so many ways over the last 5 years to both adults and children alike. I have really appreciated her willingness to undertake additional roles at short notice, whether it be going to Stackpole, lunchtime assistant, range of additional administrative tasks or using her creativity for staff occasions etc. She has been a vital cog to ensure that the school continues to run smoothly. I know that Sarah is looking forward to enjoying the extra time and perhaps even joining the dog owning fraternity.

**BABY NEWS:** I am delighted to let you know the splendid news that Mrs O'Leary has had her baby - Florence Lily O'Leary, weighing in at 7lb 6.5 oz. All doing well.

### GENERAL NEWS

**ELECTION TO THE GOVERNING BODY:** I would like to congratulate Mr Protherough and Mr Wratten who have been elected to stand on the Governing Body as Staff and Parent Governor respectively. I would like to thank them both for offering their services to the Governing Body.

**GARDENING CLUB PLEA:** Can you help with any of the following? We need some top soil, small stones suitable for paths and coloured fence/shed paint – not brown. Any donations of these items will be gratefully received by our gardening club.

**WOODLANDS, TADMARTON ROAD, BLOXHAM:** We have received the following from Agetur UK Ltd.

Agetur (UK) Ltd is the Contractor completing the ground works on behalf of Miller Homes Ltd on the new development opposite the school. Our site entrance is the entrance to Coles Farm on the Tadmarton Road. Many drivers are currently turning round in that entrance and you are advised that you should not as we may have delivery vehicles and large plant entering/leaving the site.

We will secure the site, but please remind your children that whilst interesting, it is not a playground and they must not

enter. We hope to arrange a talk with the children at school in the near future.

We will attempt to avoid disruption during the construction phase of this development but apologise in advance for any inconvenience caused.

Wally Lishman  
Health and Safety Manager  
Agetur (UK) Ltd

### F.O.B.P.S NEWS

Today we will be in the hall after school pick up, at 3:30pm. If you would like to know more about FoBPS and would like to get involved in anyway please come along and join us for tea, coffee and a chat.
