

## PARENT QUESTIONNAIRE ON SWEETS AND SNACKS

Of the many issues raised with the Headteacher by parents, questions and opinions about sweets and snacks feature very prominently. We take our responsibility both to set an example, and to educate in all areas, seriously. The Governing Body, together with Bloxham Pre-school, and the school parent-teacher association FOBPS have, therefore, been considering the sorts of foods that are made available at school events.

At a time when the sugar, salt and fat content of the foods we eat is under scrutiny and problems associated with poor diet are increasing in the population at large, it is important that our children learn to make healthy choices when it comes to food.

In order to inform our policy we are gathering the views of parents on food types available at school events and would be grateful if you would take a little time to answer the questions below. If you have further ideas or comments, please let us know in the box at the bottom of the page. We will collate all the answers received and communicate our decisions for further action with you.

### **Should the following foods be on sale at FOBPS/ pre-school fund-raising events?**

*(Please circle your answers)*
