

Meetings for Bloxham Residents about St Mary's Church, Bloxham

Throughout its history our Church has adapted to the needs of the times. The Building our Future Project is looking to continue this tradition by making it:

- More welcoming
- More useable by the community and congregation
- Even more beautiful

As we move into the proposed three-year implementation period for the project, Bloxham residents are warmly invited to one of the following meetings in the church in order to find out more about the current plans:

- **Mon 23rd March at 2:00 pm**
- **Mon 23rd March at 7:00 pm**
- **Tues 31st March at 7:00 pm**

***** ALL WELCOME! *****
