YEAR 6 SATS:

During the week of 13th May the Yr 6 children will be undertaking their SATS. I have no doubt that they will continue to successfully use the skills and knowledge that they have gained during their journey at our school.

PARKING:

We have been made aware that the Police will be patrolling the area around school to view the parking situation. Could we politely remind all parents/carers that the Miller Homes Estate opposite school is not an area for parking and there is a designated car park on that side of the road for school parking. The main school car park is for drop off only. Please avoid blocking the path of other parked cars which may need to move or be parked temporarily. If your car becomes blocked in, please be aware that staff may not be able to move their vehicles immediately during the working day.
