

31st December 2020

Dear Parents and Carers

You will have heard that yesterday the Government issued new restrictions for schools which comes into force for the start of the new term in January. Although Oxfordshire is in tier 4, I can confirm that Bloxham Primary School will be open for all children on Tuesday 5th January 2021.

We are looking forward to the new term and welcoming everyone back to school on Tuesday. Can I please ask that everyone follows the social distancing guidelines and wears face coverings whilst on the school site. We are continuing with the policy of one adult dropping off and collecting children. This will help to maintain the safety of our school community.

Best wishes for a safe and healthy New Year.
